Use Camellias for Table Decoration

We Thank You

Friends and Patrons:

For bearing with us during the war and through labor and material shortages.

From the many letters of praise for our stock from our patrons this season, we feel satisfied that you will like the stock we have to offer this season, the best we have ever had.

CAMELLIAS ARE EASY TO GROW

WE GUARANTEE: Our stock to be true to name and properly packed. It takes us from three to eight years to grow a good camellia, according to size to offer for sale. If you kill them in a few days we cannot be responsible, because we cannot control conditions after plants leave the nursery.

TERMS: Our responsibility for delivery ceases when we have delivered the stock in good condition and accepted as same by the transportation company or carrier, any claims should be made to them, on receipt of stock.

ALL ORDERS CASH: Add sales tax if your state demands sales tax.

TRANSPORTATION: How do you want order shipped: Parcel-post, motor-express, express or freight.

WE CLOSE SUNDAYS:

Visitors always welcome.

This year's list is very brief and due to the fact we have many grafts to offer, of the newer varieties, it is almost impossible to make up a price list on sizes, so if you will look over our varieties we will be very glad to quote you on what we have to offer. In some varieties we have booked about what we will have to sell, so get your list to us early.

No Kurume Azaleas for this season, we have a good stock of the Indicas, and will quote you on your needs.
